Customer Reviews

I like the song collection, and the 3 in 1 is nice. However, since its beginner I expected it to have the finger numbering for the piano section. So be prepared to spend time figuring out the fingering. Also, I wish the would of spirally bounded the book So it would stay open, I have to use binder clips to keep it open on my staff.

Piano is easy, and harmony can be easily written in for larger groups. Very pleased, and delivery was faster than I expected.

Great songs! These are wonderful for jamming out for Jesus.
