St Andrews: The Home Of Golf

Synopsis

St Andrews is a celebration of this haven of the game through striking pictures by renowned golf photographer Kevin Murray. The authors distil centuries of golfing tradition into lively, atmospheric prose, and Seve Ballesteros' heartfelt foreword provides a unique insight into the home of golf. Henry Lord is the author of the highly acclaimed golf titles *Creating Classics* (Totem Books, 2008) and *Masters of Design* (Totem Books, 2009). Oliver Gregory attended St. Andrews University and the prestigious Emory University in Atlanta, Georgia, as a Bobby Jones Scholar. Seve Ballesteros was the 1984 Open Champion at St Andrews and is one of the world's best-known and best-loved golfers.

Book Information

Hardcover: 224 pages

Publisher: Icon Books (October 12, 2010)

Language: English

Customer Reviews

Having played at St. Andrews multiple times as well as all over Scotland and Ireland, I guess I qualify as a golf nut. My book shelves bulge with golf books of every description, including those with pretty pictures of golfing sites at their most photographable. This book certainly fits the most photographable category, but it is so outstanding that I added it to my huge collection of golf books. Most pretty picture golf books are one time reads and this will likely be the same, but once you enjoy it, won't it make a great Christmas or birthday gift to another golfing friend? Standing on the first tee of the Old Course for your opening drive toward Swilcan burn packed with veteran caddies and other waiting golfers comes about as close to the feeling a high handicap golfer can get to the tension a neophyte pro must have in teeing off in his first Masters. The book takes you there and everywhere to the now multiple courses at St Andrews with stunning photos and interesting

prose. Go there, enjoy and then pass the book along, as it should not linger to be only read once or twice on your shelf.

This book is wonderful! The pictures are worth a million dollars- or pounds, as it were. It is just the right length, not too short, but not too long. It is just the right size for a coffee table book. I bought it for my Dad who is going to St. Andrews to play the Old Course in the spring of 2012.

As I was planning my Bucket-List trip to St. Andrews this June 2013, I wanted to connect to the area just a little bit more. In doing some research, I came across this book. The St. Andrews: The Home of Golf book is beautifully laid out with great photos and historical information. I'm so glad I got it and will be keeping it out on the coffee table next to my soon to be photo album of my trip! I recommend this book to everyone!
