# The Best Of Pulp Sci-Fi: Volume 1, 1952-1955

## Synopsis

Science-fiction fans rejoice! Killco Publications has collected some of the best pulp fiction stories for your listening pleasure. During the heyday of science fiction pulp magazines (1930-1963) many excellent stories by, "one shot wonders" and writers who went on to become giants in the field of science fiction were first presented. Magazines like IF Worlds of Science Fiction, Amazing Science Fiction Stories, Galaxy Science Fiction, and Fantastic Universe were a treasure trove of these stories. This volume presents a dozen of the best stories from those publications. Killco Publications has worked hard to tactfully update these stories. The plot or characterizations have not been touched but obvious anachronisms and/or outdated references have been adapted for a 21st century audience. In addition, we include information on the author, magazine, and the story itself. Killco Publications is delighted to present this first volume and will be producing more of the same in the future. Settle back, fasten your seat belt, and journey with us back in time and into the future - without leaving the present.

## Customer Reviews

GREAT stories. Read them all in one long sitting. Can't wait for next volume. The stories did not seem dated at all, even though written in the 50's. Nice concept.
