## Customer Reviews

It was not a good as most pocket calendars. The dates start as Monday being first in the calendar and it is confusing every time I look at it to check my appointments. I even missed one because I can't get used to this.

Price was great and the calendar is exactly what I needed, purse sized but with room to write appts etc. Plus won't need another until the end of 2017!

very nice and adequate for a pocket calendar.
