# Wild Savannah: A Coloring Book Adventure (A Millie Marotta Adult Coloring Book)

## Synopsis

A gorgeous new adult coloring book from New York Times bestselling author Millie Marotta, whose books have sold more than five million copies worldwide! Millie Marotta is one of the most popular creators of adult coloring books--and this beautiful volume features stunningly sophisticated patterns inspired by the savannah. Her intricate black-and-white drawings capture a myriad of the flora and fauna found in that breathtaking landscape, including elephants, rhinos, zebras, and ostriches. The high-quality stock is perfect for color pencils, as well.

## Customer Reviews

The video and the photos (including colored designs) are all of the US version of this coloring book unless otherwise noted. I have also reviewed the UK version of the coloring book. I will provide a comparison of the two printings of the book at the end of this review. I am a real fan of Millie Marotta's natural world coloring books and have both of her previous coloring books: "Animal Kingdom" and "Tropical World". In "Wild Savannah", Ms. Marotta provides a view of animals from various grassland areas all over the world. This includes the traditional African wildlife but also animals of Northern Australia, South America, and even Asia. By taking this point of view, the coloring book is filled with diverse and interesting animals. I was pleasantly surprised by this as my first thought was that it would be more limited in scope. As with her previous books, "Wild Savannah" is filled with animal designs including zebras, elephants, rhinoceros, lions, flamingos,

various insects, hippopotamus, and much, much more. There are also many designs which include birds of all sorts. Of the 74 designs in the book, five of them are semi-duplicates of the opposite page. As with her other coloring books, Ms. Marotta has included a few of these "œduplicates" which do not contain the high level of detail of their "œtwin". This allows the doodle artist or the blending artist a canvas to make those designs their own.
