Customer Reviews

I have all of Nikki Burnette's books x2. This book is a revised version of the 1st book and it is great. She has grown so much as an artist since the first book by leaps and bounds. The pictures are beautiful, has much more intricate details with the witches and their backgrounds. As stated after the 20 pictures they are repeated in 5 by 7, but closer up views, then you have the grid drawing exercise, I'm game, I don't expect much because an artist I am not. In my opinion these are absolutely beautiful pictures, they have clear, sharp lines. As with all of her books I bought 2 copies of this book. The paper is medium weight, with medium tooth. Takes colored pencils beautifully, if using wet media use a blotter page. I give this coloring book 5 huge stars. You will not want to miss coloring book. I almost forgot every page is single sided, nothing on back of pages, YOO HOO. If I forgot something I'm sorry.

This coloring book has it all, full size images, 5x7 images even a section to learn grid drawing. On the bottom of each full size image is the name of the character you are coloring, I have not seen this small detail in other books. It fun to have a name to who you are coloring. The smaller images are close ups of the full size images and the grid drawings are simplified images of the full size images. This book looks so much fun and perfect for halloween

The images are beautiful yet easy to color.

This is another wonderful book by Nikki. Its a must have

She is a very great artist!
