Oh take me back to the 60s and 70s, these mandalas will take you back in time, you will find illustrations made up of Flowers, Peace Signs, Peace doves, Beads, Hearts, Happy Faces, even lava lamps, and Psychedelic patterns. The illustration on the front cover is not representative of most of the pictures in this book. Most of the Mandalas are much more detailed and complex, however they all are made up of symbols of the 60s and 70s. 1. 31 (7 1/2") circular Illustrations centered, and printed one per page (the back of each page is blank) on heavy weight, bright white, perforated paper. 2. Perfect for colored pencils, gel pens, or fine tip markers

This book is adorable I have always liked the 60s vibe .. I am a 70 s child but the 60 are always fun and very colorful. Which makes for great creativity for coloring you can basically do what ever and it comes out great. Creative haven books are one of my favorites and as always they are on one sided thick paper. If you are into the sixties I would definite get the book for a fun and creative coloring experience.

This book has a great variety of pages. It's very unique. The paper is strong and my gel pens do not leak through. The pages are perforated and remove easily. There is a good mix of larger designs and more detailed pictures. I will be buying this again as a gift very soon .

I was a little disappointed with this one. I really would've liked more of the mandalas to be more 60s-70s theme with more peace, love, free spirit, flower power, hippie, vintage illustrations. There are a few, but not enough for my liking.

Love it came on time. Exactly what I expected

Love it!

Fun! :)

Great!
