This is a beautiful coloring book of both Old and New Testament scriptures which should be inspiring to Christian colorists. I am not sure which translations are used as the book does not explicitly state this information. The scriptures are printed in black with cites noted, too. Each scripture is surrounded by beautifully drawn flowers. The words are what you focus on when you are coloring, so the time spent coloring gives you time to meditate on the Word you have chosen that day. The designs are printed on one side of the bright white paper. The book is glue bound, so cutting pictures out will be the way to go if you wish to remove them from the book. All of the designs stop well before the binding, so you should not have any loss of design if you do cut them out. All of my markers and gel pens bled through to the back of the page. My coloring pencils went on the paper well. I will put a page of chipboard or heavy weight paper below the page I am working on in order to protect the rest of the book from leaking ink. I was provided a free sample of this

coloring book for test and review purposes.

The drawings are small and there is a lot of wasted space. I wish the drawings took up the entire page. It looks like the drawing were shrunk. Also, the lines of the drawings are very thin. I bought this book when there were no pictures posted. I should have waited for other reviews and pictures.

I recently purchased both volume one and two of this title. The idea is great of coloring in a page with a scripture verse and have something pretty to post around the house while memorizing scripture! But while the designs were nice enough (LOVED that they were one-sided), they seemed to be shrunk - in that they could almost have fit on half a page sideways (landscape view) - which would almost have been almost better on thicker paper so that they could be folded and used as greetings cards. (As they are, they will have to be cut down to size manually or look odd on a wall.) Even though they weren't exactly what I was hoping for, the designs are lovely and of flowers (instead of nonsense swirly patterns) and I will still enjoy coloring them and using them as reminders of GOD's Word!

I was disappointed. I thought the coloring page would be the full page. It was only about 5 x 7 on the 8 x 10 inch page

Pretty but designs are on the simple side - ok though as I take photos of the line drawings and upload them to my coloring book app on my phone so I get to color them twice. A lot of coloring books are too complicated to be able to do that. So I really enjoy the simplicity of this book for that reason. Plus the theme is pleasing.

I bought this coloring book, not knowing what to expect, and I must admit, I totally and absolutely love it, it has small detailed flowers and paisley so, along with a beautiful scripture on the page. Best of all the pages are printed on one side only, so using ultra fine thin marker or pens, even gel pens is a amazing, I am very pleased with my purchase. Looking forward to ordering other books with similar ideas.

Some of the drawings are nice, but others are too stretched or squished. I would say more of them are distorted than not. Not pleasant to color skewed/distorted drawings, it bothers me too much and is not relaxing at all. I was so happy to see a Christian message / Scripture quotes coloring book,

but the quality is pretty bad. Two stars for the size of the book - good size to carry with me, light and fits in my computer bag easy. Everything else needs improvement (including paper, which needs to be a bit thicker).

I'm a Christian and was looking for a coloring book with Scripture verses and this is perfect! The florals are beautiful and it is very well done .. I'm really enjoying it!
