Customer Reviews

Just right for a beginner 7th grade French Horn Player.

I was looking for some music that my son could play in addition to his school lessons. These were just right for him! He's been playing only a year, these pieces were challenging and fun to play, and not too difficult (nor too easy!). I used to play piano but it's been a long time, and I was able to figure out the piano part, and we've had fun playing together. Would be nice to find a similar book for jazz

or rock tunes!
