Beautiful, finely detailed patterns. Ultra-fine markers, gel pens and colored pencils will all work well. Be challenged, and relax at the same time as you see the patterns come to life as you color them in. I have another coloring book by Penny Farthing Graphics and I plan on buying more. In addition to the high quality artwork they use in their books, Penny Farthing Graphics has the endearing habit of not charging every last penny they can get away with: in short, they are affordably priced!! I think their lack of greed should bring a ton of sales!!! highly recommend this book and their entire line.

What a great idea! Reconnect to the child inside. A great way to unwind and have a creative restful experience. I had many members of my family fighting over this, grand-daughter, sister, even my picky teenage artistic grand-daughter wanted a go with this color book. The designs were fun and everyone had a favorite. Many fun hours ahead for any fan of coloring.

Nice book of art but not very many pictures. I expected more pages. I did receive promptly in the

mail.

Fun and pretty patterns to color. I will use them when coloring with my Grandkids!
