# Scale Studies For Viola: Based On The Hrimaly Scale Studies For The Violin

## Synopsis

A group of resourceful kids start solution-seekers.com, a website where cybervisitors can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of S words that reveal a spectacular story! With creative characters, humorous dialogue and great music, The S Files is a children's Christmas musical your kids will love performing.

## Customer Reviews

Having studied piano, cello and guitar for over 40 years now, I had a good idea what I was looking for in scale studies. This isn't it. Not organized by by types (major, natural minor, harmonic and exercises). Scale studies help to learn where the notes are on your perspective instrument, as well as building dexterity. I bought this for my daughter so she could get a headstart before her lessons, but like I said, not quite what I had in mind.

Good book for my level but necessary for me to progress in my instrument. It was a little hard to find and it is a more difficult level so its a double edge.
