Block Printing on Fabric Roll a paint-covered dense foam brayer across a print block until it is evenly coated with paint and press the block onto the fabric. This technique creates the most uniform fabric prints. [View larger](#)

Rubber-Band Texture Block Printing Print bold lines with an easy-to-make rubber-band texture block. [View larger](#)

Beyond the Potato Print The printed background texture is created by rolling paint-covered corn on the cob across the fabric. The design is printed with carved radishes and carrots. [View larger](#)
